PRAYER REQUESTS

2011-2012

*Pray for one another daily based on
these truths from Psalm 19:*

HEAR God's speech in creation and walk in the light of His glory.

WORSHIP God as Creator as we see His handiwork all around us.

OPEN our hearts and minds to God's speech in Scripture so we are transformed by His Truth.

VALUE and take pleasure in Scripture in our daily living.

HEED the commands and claim the promises of Scripture.

WELCOME with repentance the conviction and cleansing of the Word.

ALLOW the power of the Word to change our hearts as we delight in Christ.
