
2010-2011 Verification Notice

Your Free Application for Federal Student Aid (FAFSA) has been selected by the Federal Government for review in a process called "Verification". In this process Baptist Bible College & Seminary (BBC&S) must compare information from your FAFSA with signed copies of your and your parent(s) 2009 Federal tax returns, W-2 Forms and other financial documents. The law says that we must ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents BBC&S is required to file corrections electronically on your Student Aid Report (SAR). Overpayments of Federal Aid (Title IV) will be referred to the Department of Education for resolution.

Financial aid cannot be awarded until verification is complete. Financial aid will be delayed, or possibly forfeited if verification documents are not completed and returned.
