

2011–12 Tuition Validation Form

If your children attend an elementary or secondary school that charges tuition, you are entitled to an income reduction on your Student Aid Report (SAR) which could increase your eligibility for financial aid. The FAFSA does not collect this information but allows applicants to notify our Financial Aid Department because it affects your financial situation. **Please list the amount of elementary and or high school tuition paid for college student siblings during the 2010 calendar year (January through December).**

DO NOT INCLUDE pre-school or college tuition paid. DO NOT INCLUDE high school tuition paid for those who will attend college in the 2011–2012 academic year. (College students cannot benefit from high school tuition paid for them).

Your FAFSA data will be recalculated within the federal formula. You will be notified if you become eligible for additional financial aid. Please feel free to contact the Student Financial Services Office with any questions you may have at 800.451.7664 or email financialaid@bbc.edu.
