For he will be like a tree
planted by the water,
that extends its roots by a stream
and will not fear when the heat comes;
but its leaves will be green,
and it will not be anxious in a year of drought
nor cease to yield fruit.

Jeremiah 17:8 (NASB)

How amazing it is that we have the God-breathed Word, the Bible, to read and study! The fact that the Bible has survived the ages and is still the most widely read book in the world is also amazing. We are sometimes guilty of taking it for granted—of not seeing its value to us on a daily basis.

Over my years of being a Christian, I have made it one of my goals to read through the Bible each year. It helps to have a written plan to follow, and we are happy to provide you with this one. There are many ways to approach reading the Bible through each year, and it helps me to vary the approach.

At BBC&S, we teach the truths of God's Word to our students, and we desire more than anything else to honor the God of the Word with our lives in 2008.

Grateful for His grace,
Jim Jeffery
